Dear Mr. Dulles:

STAT

I am sure you will recall the luncheon at [redacted] house last month regarding Cuba. We mentioned at the time a People-to-People information program to the Caribbean which we hoped to get under way.

The attached presentation is a wrap-up of the projects we had in mind. The program has been endorsed by the United States Inter-American Council as well as by a representative and substantial group of Florida leaders. It will probably get under way within 90 days.

Please let me know if any additional information is desired.

Best personal regards,

Sincerely,

Gerald F. P. Dooher
Executive Director
